

MANJEET "MICKEY" SAMRA, D.D.S.

Orthodontist

Livermore, CA · (209) 923-3013 · mickeysamra@gmail.com

Orthodontist with ten years in private practice across San Joaquin County with long-standing personal and professional roots in the Central Valley and Tri-Valley. Sold my Stockton practice in 2024 and am now looking for a lasting home in the Tri-Valley: an associateship with a path to partnership or purchase, where I can carry forward a practice that has been built patient by patient and support the owner through a transition on their timeline.

CLINICAL EXPERIENCE

Samra Orthodontics · Stockton, CA

2016 – Present

Founder & Orthodontist

- Founded and led a full-scope orthodontic practice serving families throughout San Joaquin County, personally treating early interceptive, adolescent comprehensive, adult clear aligner, and surgical-orthodontic cases.
- Built the practice's referral base through long-term working relationships with general dentists, pediatric dentists, and oral surgeons across the region.
- Ran every side of the business, from clinical protocols and hiring to scheduling and financial management, while carrying a full patient schedule.
- Sold the practice in 2024 and stayed on as treating orthodontist through the transition, seeing existing patients to completion and handing over the team and referral relationships intact.

2015 – 2016

Associate Orthodontist

- Treated patients in two established private practices following residency, covering diagnosis, individualized treatment planning, and management of malocclusion and skeletal discrepancies.
- Directed and mentored clinical staff and supported each practice's growth through community outreach.

COMMUNITY & PROFESSIONAL LEADERSHIP

San Joaquin Dental Society · *President, Treasurer, Secretary & New Dentist Chair*
